VIMAL JYOTHI ENGINEERING COLLEGE, KANNUR

From HOD's desk,

EEE Department of VJEC established in 2002 has been able to impart quality technical competency for Electrical & Electronics students. With qualified and experienced senior faculties, the Department could impart high rich academic delivery both in theory and practical. The sophisticated labs of the Department like Power Electronics, Electrical Machines, Electrical Measurements, Software lab could help the students to simulate and emulate with the real time problems in a more practical way. The addition of the new M-Tech program in Power Electronics has added to the Research enthusiasm in the Department. IEEE IAS student chapter will definitely expose the students to the cutting edge research and happenings in the International domain. I take this opportunity to congratulate Mr. Nikhil Valsan K, IEEE IAS CHAPTER Advisor who had attended the IAS ANNUAL MEETING at VANCOUVER, BC CANADA from OCT 5-9 2014 to receive the OUTSTANDING NEW IAS CHAPTER AWARD .

I would like to introduce our Technical Fest "RAYO" which is scheduled on 29.10.2014.
