HOD's Desk

Greetings to Dear students,
Faculty and Friends!

As we welcome a new year, it is the right time to make a fresh start. Lessons learnt from past should enable us to make necessary changes to achieve more. Due to concerted efforts of staff and students university results in the year 2014 were encouraging. We are proud that Shri Jinesh Joy (ME2010-14) secured Kannur University II rank in 2014. All efforts should be made to improve results in the coming year and focus should be always on efficient teaching and learning process. Wish you all a "HAPPY, PROSPEROUS AND PEACEFUL YEAR -2015"

Cdr Raju K Kuriakose(retd)

"Opportunity is missed by most people because it is dressed in overalls and looks like work."

Thomas Alva Edison

Accreditation Visit by Institution of Engineers

The Expert team members from Institution of Engineers Accreditation Board had their visit for inspection in VimalJyothi Engineering College from 19th November to 21st November 2014. They were well impressed by our infrastructure developments & the teaching methodology which leads us to the motto: **WHERE PERFECTION IS THE TRADITION**. The expert committee member who came for the inspection in Mechanical Engineering department was Prof. Kulkarni, Advisor & Professor of Mechanical Engineering Department of R V College of Engineering, Bangalore. They went through all Updated stock registers, Course files and lab manuals including Result statistics of departments, also they came across evidences pertaining to the particulars furnished with the application. Finally went through the List of faculty, qualification, workload, publications, achievements, timetable, which leads to the satisfaction of the visiting distinguishable personalities.

All eyes on...

Newly installed 3D printer banded the attraction of the IE auditors.

Entrepreneurship Development talk

On 17th Friday 2014 Department of Mechanical engineering in association with Entrepreneurship Development Club conducted a talk on Industry-Institute Relationship for Entrepreneurship Development. Presence of **Mr.K.Vinod Narayanan** (President- North Malabar Chamber of Commerce Managing Director- PVN industries Kannur) has enhanced the number of audience.

CONGRATULATIONS...

Mr. JINESH JOY

ME, 2010-2014 BATCH

Ready to Put the Top Gear

4

After 6 months hard work of team Infinity the car is ready for tasting the track. The test drives are already over and now it's the time for participating in the championship. Infinity is qualified to participate in the formula one championship in January 2015 in Coimbatore.

SAE faculty advisers and team INFINITY members consider this as an impeccable achievement, for the mechanical department as well as the whole vimalJyothi family. We would like to share the cream of this cake to all, who stood behind us amidst of all the hurdles.

Faculty Publications

Mr.Subin Mohan AP ME published a papere on “Short beam Shear strength measurements of Glass fibre reinforced Epoxy Nanocomposites modified with Graphene Oxide interfaces” at International Journal of Chem Tech Research
