MESSAGE FROM HOD

Greetings from HOD. The increased student intake shows a positive sign towards the growth of department and this gives me immense gratitude. The entrepreneurship cell EDC of VJEC under EEE department has organized a three day workshop “start up i3”(Govt. of Kerala) which was noticed by the large participation from students all over Kerala. Congratulations to Mr.Sarin C R for organizing such event. Presently EDC VJEC is standing top in the engineering colleges under KTU.

This year also, six of our students will attend IEEE IAS Annual Meeting and workshop , to be held at Portland ,USA from 2nd to 6th October 2016. Special congratulations to Mr. Nikhil Valsan K.

Happy ONAM in advance.

LALY JAMES, HOD EEE

Program Specific Program Outcome

1. Apply the knowledge of electrical fundamentals, circuit design, control engineering, analog and digital electronics to the field of electrical & electronics systems in industry.
2. Develop technical knowledge, skill, and competency to identify, comprehend and solve Problems in academics and research related to electrical and electronics engineering.

MISSION

To produce competent and discipline Engineers through delivery of quality education to meet the on going global changes in alignment with technical education system and society.

VISION

To evolve as a center of excellence, to train students in con-temporary technologies, to meet the needs of the global industry and to develop them into skillful engineers instilled with human value and professional ethics technical

AWARDS CEREMONY

Ms. Sabna P K receiving the awards for University First Rank (2011-15)

Ms. Rosna K Saji and Unnimaya Balakrishnan receiving proficiency awards.

INAUGURATION OF STARTUP i3 – 3 DAYS WORKSHOP FOR ENTREPRENEURSHIP DEVELOPMENT ORGANIZED BY IEEE IAS SBC AND DEPARTMENT OF EEE

INAUGURATION OF JYOTHIRGAMAYA – 2016 ORIENTATION CLASSES FOR THE FIRST YEAR STUDENTS

New Faculty

Dr. Senthil Kumar had his diploma in EEE from MPNMJ Polytechnic, Erode in 1998 and BE in EEE from Government College of Technology, Coimbatore in May 2005. He had his masters from Government College of Engineering Salem in June 2007 and PhD from Anna University, Chennai in 2016.

He has an Industrial experience of 3 years and teaching experience of above 11 years.

Mr. Priyadarshan C V and Mr. Akshay Sunil receiving awards of proficiency
