

CIVIL ENGINEERING

SRISHTI

Newsletter | Volume 6 | Issue 6 | December 2018

Our Vision

To develop into a center of excellence for quality education moulding competent civil engineering professionals dedicated to the progress and development of humanity.

Our Mission

1. To provide quality education and training to create competent civil engineers
2. To interact with industries to provide a knowledge base for existing and emerging technologies in the field of civil engineering.
3. To inculcate moral and ethical values among the students to mould them as civil engineers with social obligations.

CIVIL DEPARTMENT

Civil engineering is the application of physical and scientific principles for solving the problems of society, and its history is intricately linked to advances in understanding of physics and mathematics throughout history. Its history is linked to knowledge of structures, materials science, geography, geology, soils, hydrology, environment, mechanics and other fields. The Department was established in 2010 with the inception of the college. Department boasts of a faculties in various specializations.

FROM THE DESK OF THE HEAD

Our enrollment continues to climb despite increasingly rigorous admissions standards. As a Department, in recent years we have received more applications for an admission into Civil Engineering. As a result, the student body is a remarkable group of exceptionally bright, ambitious and hardworking students who are hungry for a top-flight engineering education. Our students find a diverse curriculum that emphasizes both traditional and emerging areas of Civil Engineering

Ethnic Day celebrations - Pg 2

Short Term Training Program - Pg 2

Conferences / Workshops - PG 3

Faculty Achievements, Students Achievements - Pg 3

Farewell to Relieving Faculty and Placements - Pg 3

ETHNIC DAY CELEBRATIONS

In the busy schedule of classes and academic activities, when students are moving away from their own culture and history, Ethnic day celebrated enable them to revive love and respect for their own culture and history. Ethnic day celebrations were held on 29 November 2018 hosted by students union. Several games like musical chair, lemon and spoon, water balloon passing etc added more colors to the celebrations. The students were overfilled with joy and excitement, for being dressed up in traditional attire. The program helped to showcase the tradition of every student of college. It was an endeavour to bring about a simple expression of unity in diversity that holds together the multitudes of outlooks, lifestyles and tradition to reflect the ethnicity of our state.

The response from the students was overwhelming. It turned out to their opportunity of relaxation and freedom. The energy level was quite high as all semester students donned in ethnic attires participated in various events radiating enthusiasm and passion.

SHORT TERM TRAINING PROGRAM

Dr.Shika S attended AICTE-sponsored QIP Short Term Training Program on 'Membrane Technology for Water and Waste Water Treatment' on 12-14th November 2018 organised by Department of Civil Engineering IIT Madras. Participants found the program useful, as they got idea about how to treat wastewater in all sectors of working. Also, they were enlightened with the awareness on the most promising technologies for the same.

CONFERENCE / WORKSHOPS

- Mr.Biju Mathew, HOD CE attended 2nd international conference on recent multi disciplinary research and presented a paper entitled "Performance of laterite block with age", organised by foundation of innovative research at Asian Institute of Technology Conference Centre, Pathum Thani, Thailand on 23-24 November 2018.
- He also attended AICTE exam reforms workshop at GEC,Thrissur on 7 th December.

FACULTY ACHIEVEMENTS

- Mr.Biju Mathew, HOD CE got selected as KTU academic auditor for SSNIT Kanhangad, MIT Anjarakandi.
- Ms.Nimisha P successfully completed the course work for PhD at NITK Surathkal.
- Mr. Hanzel Fernandez accomplished his dream of pursuing a job in government sector and he is currently working as AE in LSGD.

STUDENTS' ACHIEVEMENTS

- Mr.Nikhil Benny, final year Civil Engineering student won second prize for long Jump in state level KTU competitions.
- Ms.Reshmi Ramesh and Ms.Anagha K,third Year civil engineering students emerged as Zonal Champions in basket ball
- Ms. Athira Mohan of S5 CE B become zonal champion in Badminton.
- Ms.Jisna John of final year Civil Engineering entered into the quarter final of south zone badminton.

FAREWELL TO MR.GEORGE ZACHARIAH

Mr.George Zachariah, who had worked in this Institute for 1 year left the Vimal Jyothi Family with lots of memories. The staff bid their heartfelt farewell messages to him. He did share his experience of being in the college and felt sincerely thankful for the good times he had.

PRIDE OF DEPARTMENT

The following students emerged as the toppers in their respective classes.

- Jobin Michael and Rahul TP in the seventh semester
- Reshmi Ramesh and Nivedya Surendran in the fifth semester
- Chaithanya and Athulya Thoten in the third semester
- Alvin Johnson and Dilsha V V in the first semester
