

ELECTRICAL GNOSYS

FEBRUARY 2020

VIMAL JYOTHI
ENGINEERING COLLEGE

FROM HOD DESK

I wish all my colleagues and students a great year ahead.

I am happy to introduce first issue of our news letter of the year 2020, This issue contains notable achievements of faculty members and students and snapshots of various professional body activities. This news letter is a proof that we are continuing to built on our success this year also.

If we turn the pages of the last two months, several colourful imprints which include many international recognitions are left behind in the history of EEE department which always glorifies the name of our institution. The team work of students and staff members was an encouraging factor, for successful organization of these activities which we want to continue in coming months also .

Our news letter ELECTRICAL GNOSYS is a platform for students to bring out their creativity and I hope that this will encourage many more students to use it as a platform for exhibiting their talent.

I congratulate all my colleagues and students for their contribution towards the progress of the department..
