

DEPARTMENT OF CIVIL ENGINEERING

BIMONTHLY NEWSLETTER

SRISHTI

Volume : 9 | Issue 4 | Date: August 6, 2021

FROM THE DESK OF HOD

It gives me immense pleasure to present the forthcoming issue of the departmental newsletter “SRISHTI” as a forerunner of department activities. The department strives to impart knowledge and training of the highest standards. We believe that our students have been well accepted in their job profiles and have consistently exceeded expectations of the dynamic corporate world.

I stand awed by the sheer number of contents that have come pouring in for the newsletter. This shows the positive and creative energy of faculty members and students present in the college

My sincere appreciation goes out for the editorial team for their strenuous and sincere efforts towards putting together the myriad thoughts and dreams of our students and faculties into a meaningful and delightful visual fest. Also I invite the readers of ‘Srishti’ for their contribution and suggestions for the further issues.

VISION OF THE DEPARTMENT

To develop into a center of excellence for quality education moulding competent civil engineering professionals dedicated to the progress and development of humanity

MISSION OF THE DEPARTMENT

To provide quality education and training to create competent civil engineer

To interact with industries to provide a knowledge base for existing and emerging technologies in the field of civil engineering

To inculcate moral and ethical values among the students to mould them as civil engineers with social obligations

STAFF EDITORS

- 1) Mr. Ashwin Joy
Assistant Professor
- 2) Ms Hridya P
Assistant Professor
