STAFF EDITORS

Mr. Ashwin Joy
Asst. Professor

Mr. Dain Philipose
Asst. Professor

It gives me immense pleasure to present the forthcoming issue of the departmental newsletter "SRISHTI" as a forerunner of department activities. The department strives to impart knowledge and training of the highest standards. We believe that our students have been well accepted in their job profiles and have consistently exceeded expectations of the dynamic corporate world.

Dr. Biju Mathew
HoD / Civil

I stand awed by the sheer number of contents that have come pouring in for the newsletter. This shows the positive and creative energy of faculty members and students present in the college.

My sincere appreciation goes out for the editorial team for their strenuous and sincere efforts towards putting together the myriad thoughts and dreams of our students and faculties into a meaningful and delightful visual fest. Also I invite the readers of 'Srishti' for their contribution and suggestions for the further issues.

VISION OF THE DEPARTMENT

- ▶ To develop into a center of excellence for quality education moulding competent civil engineering professionals dedicated to the progress and development of humanity

MISSION OF THE DEPARTMENT

- ▶ To provide quality education and training to create competent civil engineer
- ▶ To interact with industries to provide a knowledge base for existing and emerging technologies in the field of civil engineering

The college is approved by AICTE and affiliated to APJ Abdul Kalam Technological University (AKTU). VJEC is a self-financing outside minority institution during its journey to serve the Engineering and Technology to students. Here we inspire, nurture, and foster talent to realize their career potential in the field of Engineering and Technology.</p> <p>VJEC has proudly set up world-class infrastructure complemented with intellectual capital in the form of computer facility. Many of the facilities are way beyond the regulatory requirements aiming for learning beyond the syllabus to address the requirements of the industry. These material facilities along with value addition programs and student support systems are the integral facets of empowerment at VJEC.</p> <p>Digital Library, industry supported project lab, language lab, and student chapters of professional bodies such as IIS (India), IEEE, BSA, IETP, ASU, CSI offer an excellent range of resources, opportunities, and services for the international learning process. Effortless implementation of quality control processes ensures Engineering graduates with the expected level of knowledge, skill, and attitude.</p> <p>CSI, IEEE, IETP, ME/IC and AII courses have been accredited by NBA. VJEC is an ISO 9001:2015 certified Institution. It is also accredited by NAAC, Institute of Engineers (India) and recognized by UGC under section 2(f) of the UGC Act 1956.</p>

FAREWELL TO MR NIMEESH THOMAS

Department of civil engineering bid a memorable farewell to Mr. Nimeesh Thomas for his beholden service for a quite long duration in the institute. He had been extremely professional, hardworking and kept striving consistently to bring creative new ideas for the well being of students as well as organization. Letting him know how much the Department appreciates for his hard work and dedication left with a smile on his face.
